Welsh House Farm

Important News

09.05.25

Dear Families and Students,

I am writing to let you know that I will be leaving Welsh House Farm at the end of this half term, after seven truly wonderful years.

It has been an incredible journey, and I feel so privileged to have been part of such an amazing school community. Welsh House Farm is a special place full of children, families, and staff that have made it such a joy to come to work every day.

One of the greatest highlights of my time here has been watching the students grow and flourish in sport and PE seeing them gain confidence, overcome challenges, and flourish into very talented young people, this has been extremely rewarding.

Sport has played a huge part in my experience at Welsh House Farm. I've loved every moment spent coaching, organising events, and cheering from the side-lines.

Over the years, I've seen how physical education and sport in Welsh House has grown into something truly special. From unforgettable sports days and incredible inter-school competitions to enjoyable after-school clubs and exciting PE lessons. I'm very proud that sport has become a powerful tool for helping students discover their strengths and take pride in both personal and team achievements. It has been a privilege to be part of that journey and to watch our students thrive through sport and physical education.

Thank you all for the support, trust, and kindness you've shown me over the years. I leave with so many fond memories and a deep appreciation for everything we've shared. Once a farmer always a farmer.

Wishing you all the very best for the future.

Mr Jones
