

Before and After school Sport clubs

At Welsh House Farm Community School, we recognise that our pupils benefit from ‘out of hours’ learning. We believe after school clubs boost children’s self-esteem and self-confidence whilst also keeping children busy and active and healthy after school. Therefore, we offer a range of different ‘after school’ clubs throughout the year. We offer clubs from Reception to year 6. All clubs are pre-booked by returning the letters at the start of every term sent out to children. Children are informed by an acceptance letter sent out by Mr Jones. Please see Mr. Jones for more details about clubs. Below you can view the clubs happening throughout this term.
